Dear Sisters,

Happy New Year to all of you!

As you well know, the Jubilee Year on the occasion of the VIII Centenary of the death of our father Saint Dominic was inaugurated on the solemnity of the Epiphany of the Lord. It is a year of grace for us, a moment to call to mind what Dominic promised to his brothers at the time of his death and to renew our hope in such promise. He assured us that he would be more useful to us on his death - through his intercession - than he had been in life.

To aptly honor his memory, let us examine ourselves on how we live the legacy we received from him and renew our commitment to proclaim the Gospel around us and where the mission takes us. This implies assessing with creative vision all our works, our projects or activities, above all our way of life, and rekindle in them the aspiration to build a world of authentic fraternity.

I invite you to reflect even more profoundly into the humanity and holiness of our father. Let us make his **courage** and **benevolence** be alive in us. His virtues and values continue to be valid and enriching essentials in our fraternal life and eloquent witness for preaching.

As part of a great family, I encourage you to collaborate and participate in the activities that the Order or the Dominican Family organizes in different countries throughout the year. I also encourage you, to the extent of your possibilities, to organize a celebration at the level of Provinces, Delegations or communities. With that I propose that on Tuesdays you recite the litanies of Saint Dominic in the Rosary and then the Jubilee prayer.

I hope this jubilee would fill us with blessings that will lead us to greater fidelity to our Dominican spirit and to greater communion among us as Religious Missionaries of St. Dominic.

My fraternal embrace,

Sor Asunción González, OP  
Priora General
