

ENCUENTRO INTERNACIONAL DE FORMADORAS 2020

Rome, April 13, 2020

Provincial Prioresses,
Delegates,
Sisters in charge of the Filial houses,
Participants of the Encuentro Internacional de Formadoras 2020

My dear Sisters:

HAPPY EASTER TO ALL OF YOU!

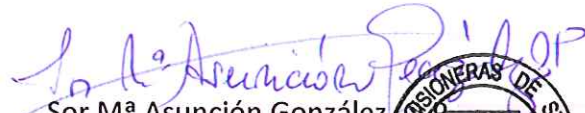

We are already in the month of April and seeing the situation in the different parts of the world concerning the problem of the pandemic, I think more time will be necessary for this threat to disappear or be resolved completely. At this point the number of cases continues to rise in Spain and here in Italy, although the situation is somewhat stable, it has not yet managed to flatten the curve of the disease. Furthermore, although the first affected countries in Asia have already recovered or improved, the outbreak is nonetheless spreading to other countries: the Philippines, Thailand, Cambodia, Myanmar ...

Given this situation, we consider it logical and prudent to postpone the **Encuentro Internacional de Formadoras 2020** that we have planned for July. At this moment, caring for health and ensuring safety to prevent or avoid the spread of the virus is the urgency in which we are called to collaborate, not only for our own good but for the entire society where we are present.

We cannot tell you yet the exact the date of the activity, but it will be in the same season of the year; most probably in the summer of 2021. The participants will be the same sisters. Hopefully by then everything has returned to normal.

May the risen Lord strengthen our hope and help us see a light at the end of this tunnel.

My fraternal embrace,

Sor Mª Asunción González
General Prioress
