

Our Lady of the Holy Rosary 2021

Dear sisters,

We are in October, the so-called “month of the Rosary” and in it we celebrate the feast of Our Mother, the Lady of the Rosary. Is there a better way of honoring her than by praying the rosary? She has appeared a lot of time with “rosary in hand”. She loves the rosary, because though it may seem that its prayer is a mere manifestation of Marian piety (it is, as well), nevertheless its foundation is Christological, the protagonist is Jesus Christ, the Son of the Virgin Mary.

Indeed, the various mysteries of the Rosary are like "photographs" of emblematic moments in the life of Jesus, perceived through the eyes of Mary. In the Gospel of her feast day (Lk 1: 26-38), we contemplate the mystery of the Annunciation of the archangel, Saint Gabriel, to the Virgin. The dialogue between the messenger and Mary is very important; important in her YES, "let it be done to me according to your word". Important because it marked the beginning of the fulfillment of the promise of salvation: the Incarnation of the Son of God. The protagonist is Jesus who became incarnate in his womb; Mary acts as an instrument.

The rosary is a simple and profound prayer that leads us to contemplate the face of the Lord. Guided by the hands of Our Mother we approach the Son. In the contemplation of each mystery of the rosary we can learn from Mary the contemplation of the beauty of the face of Christ and experience the depth of the entire Gospel message. The rosary is nourished directly from the Gospel; therefore, it helps us embrace the evangelical values.

With good reason, Pope Saint Paul VI said of the Rosary that it is a compendium of the Gospel; but without contemplation, it is a body without a soul and its prayer is in danger of becoming a mechanical repetition. The Rosary requires a slow, thoughtful and attentive prayer that facilitates meditation on the mysteries of the Lord, seen through the heart of Mary.

Sisters, may Our Mother, the Lady of the Rosary, help us to strengthen our union and communion with Christ.

HAPPY FEAST DAY OF OUR LADY OF THE ROSARY!

My fraternal embrace and prayer,
