To all Sisters of the Institute

My dear sisters:

When half of the Provinces have already celebrated their Provincial Chapter and the other half is about to celebrate it, we, from the General Curia, want to begin with the preparation of the next General Chapter.

We are all aware that this is a time of special importance in the search and discernment of God's will for the Congregation at this moment in history; it is a time of disclosure and decision; a space in which it is possible to grasp what the Holy Spirit is doing and what is being asked of the Institute today, placed entirely in an attitude of listening, of obedience, of renewal ...

For this reason, we have decided to visit all the Provinces, Delegations and Affiliate Houses so that all the sisters are aware of what this implies and that together we can clearly see the needs of the Congregation and the desires of the sisters, especially their difficulties in carrying out their mission.

Hoping in the Lord that this encounter and dialogue be fruitful for the good of the Institute and for the Church, counting on your good dispositions, participation and collaboration.

A fraternal greeting and my prayer,

Sr. M^a Asunción González, O.P.
Prioress General
